

Autism Service Dogs of America invites your child to join our **Doggie Day Camp**

Come interact and help train some of our service dogs At this camp we will learn how the power of positive reinforcement not only teaches a dog to become a service dog but will help your child become a leader. Participants in our day camp gain a sense of purpose, accomplishment, and self-respect by helping a dog help others.

Our campers will learn to use rewards to shape behavior We will learn to speak and understand dog language, and how to apply these training techniques with their own pet dogs. We will encourage teamwork amongst the campers and teach them how a calm demeanor earns respect from the dogs and their friends.

We have fun field trips planned We will take the service dogs to the movies, Bullwinkles, bowling, and more. This will be fun for the kids and great socialization experiences for the dogs.

Just for fun Art projects, team building activities, and games with the dogs.

Snacks will be provided Please bring a sack lunch except on the last day when we will have a BBQ!

Cost \$395 per week*- includes admission to bowling, the movies, and token's at Bullwinkle!
